# CHAIRMAN'S MESSAGE

*“Unlocking Tomorrow –  
Hack the Impossible”*

**Welcome to VIC26!** It is with great pleasure and pride that I welcome all participants, mentors, evaluators, collaborators, and stakeholders to the Virtual Innovation Competition 2026.

In a world that is evolving faster than ever, innovation is no longer an option — it is a necessity. VIC26 is our platform to empower thinkers, problem solvers, and changemakers to rise above challenges and reimagine the future. This year's theme, “Unlocking Tomorrow – Hack the Impossible”, is a call to push boundaries, challenge conventions, and create solutions that make a lasting impact.

We are honoured by the participation of 1,817 projects and 9,009 brilliant participants from across the globe. Your passion, creativity, and determination are what make this competition extraordinary.

To all participants, remember that every idea has the potential to change the world. Whether you win an award or not, the journey of innovation you embark on here is what truly matters.

I extend my heartfelt appreciation to our strategic partners, panel of experts, committees, and the entire UiTM community for their unwavering support in making VIC26 a success.

Together, let us continue to innovate, transform, and elevate. The future is ours to create.

**Thank you and best of luck!**

DIGIT360  
INNOVATE • TRANSFORM • ELEVATE

# OFFICIATING SPEECH

**YBhg. Professor Datuk Ts. Dr.  
Shahrin bin Sahib @ Sahibuddin, FASc**  
Vice-Chancellor  
Universiti Teknologi MARA (UiTM)

**Assalamualaikum Warahmatullahi Wabarakatuh  
and a very good morning.**

It is with great pleasure and honour that I welcome all participants, mentors, judges, collaborators and distinguished guests to the 26th edition of the Virtual Innovation Competition (VIC26).

In today's world, we are witnessing rapid technological advancements and unprecedented global challenges. Innovation is no longer optional; it is essential. At UiTM, we are committed to nurturing a culture of innovation, creativity and entrepreneurship that empowers our students and staff to become future-ready leaders and thoughtful global citizens.

VIC26, themed "Unlocking Tomorrow – Hack the Impossible", reflects our collective aspiration to challenge boundaries, break new ground and create solutions that make a meaningful impact on society and the environment. This platform serves as a catalyst for ideas to evolve, collaborations to flourish and talents to shine.

I would like to extend my heartfelt appreciation to DIGIT360 Sdn. Bhd. and all strategic partners for their unwavering support and commitment in making VIC26 a truly global and impactful event.

To all participants, I commend your courage to innovate and your determination to make a difference. Remember, every idea has the potential to change the world.

Together, let us continue to innovate, transform and elevate. The future is ours to create.

**Thank you.**

## ABOUT VIC26

Virtual Innovation Competition (VIC) is an international innovation competition established in 2020 to provide a global platform for innovators, researchers, academicians, entrepreneurs, and students to showcase their innovative ideas and inventions.

Since its inception in 2020, VIC has grown into one of the region's largest virtual innovation competitions, attracting thousands of participants from various countries and educational backgrounds.

### VIC26 AT A GLANCE

7<sup>TH</sup> EDITION  
2020 – 2026

### VIC EDITION JOURNEY (2020 – 2026)

### PARTICIPATING COUNTRIES

-  MALAYSIA
-  CAMEROON
-  SAUDI ARABIA
-  THAILAND
-  INDONESIA
-  BRUNEI DARUSSALAM
-  VIET NAM

### COMPETITION CATEGORIES (TERTIARY LEVEL & BELOW)

#### THEME

## UNLOCKING TOMORROW – HACK THE IMPOSSIBLE

A call to innovators worldwide to dare beyond limits, challenge the status quo, and create solutions that shape a better tomorrow.

#### OBJECTIVES

-  Promote innovation and creativity
-  Encourage commercialization of innovative ideas
-  Foster international collaboration
-  Recognize outstanding innovators
-  Inspire future generations of inventors

# VIC26
